**RE: Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "Stage 1-2 Archaeological Assessment Proposed Robertson Subdivision, Part of Lot 17, Concession X, Town of Innisfil (Stroud) County of Simcoe" Dated November 10, 2010, Revised Report Dated May 9, 2012, Received by MTCS Toronto Office on May 15, 2012, MTCS Project Information Form Number P058-671-2010, MTCS RIMS Number 43SB475**

Dear Mr. Henry:

This office has reviewed the above-mentioned report, which has been submitted to this Ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 1993 *Archaeological Assessment Technical Guidelines* set by the Ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

The report indicates that Stage 1 and 2 archaeological assessment was conducted on the subject property and no archaeological resources were encountered. The report recommends that there are no further concerns for alterations to archaeological sites for the area that has undergone archaeological assessment.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment is consistent with the ministry's 1993 *Archaeological Assessment Technical Guidelines* and the terms and conditions for archaeological licences. This report will be entered into the Ontario Public Register of

Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register. Given the above, this Ministry is satisfied that concerns for archaeological sites have been met for the area of this development project as depicted by Figure 4 of the above titled report and as depicted by the draft plan Part of South Half of Lot 17, Concession X, Township of Innisfil, County of Simcoe, Redline Draft Plan 43T-88008, prepared by Gemmell Engineering, Project Number 123, dated February 11, 2011, signed by Rudy Mak, O.L.S., dated February 14, 2011”

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Wai Kok  
Archaeology Review Officer
