**Environmental Site Assessment Update
Innisfil Executive Estates, 2008 Victoria Street, Innisfil, Ontario**

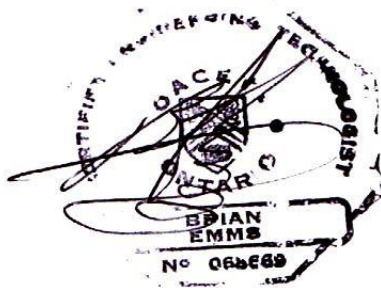

BAE & Associates Environmental Inc. (BAE) was previously retained by 1820839 Ontario Inc. to prepare a Phase One Environmental Site Assessment (ESA) for Innisfil Executive Estates, 2008 Victoria Street, Innisfil, Ontario. This report was completed May 18, 2012.

This current Environmental Site Assessment Update is to confirm that there have been no environmental changes at the property. Previous Phase One ESA Investigations verified that the Site met applicable EPA/MOECC criteria and that there are currently no environmental concerns.

It is the opinion of the undersigned that no further investigations are required or recommended at this time.

Respectfully submitted,

BAE Environmental
